Good afternoon: Mayor and City Counsel,

I want to express my support for the Pedestrian Safety Ordinance.

I'm very concerned with all the homeless people standing at the intersections in Dover.

I don't feel safe many times when I am approached by someone asking for money while sitting at interceptions.

I'm concerned for their health. I have seen an accident while a Begger was stopping a car, and another car ran into the rear of another vehicle.

The whole city is getting a bad reputation for people begging at the intersections. It's time to put our foot down and take back our city.

Please pass this ordinance if you truly love the City Of Dover.

Thank you in advance, as I know you all will do the right thing,
